## EFORT Autumn Travelling Fellowship – Italy, 20 – 25 October, 2014

Dear Presidents,

We are happy to announce the EFORT Autumn Travelling Fellowship 2014 **to be held in Italy from 20 – 25 October 2014.**

We would kindly like to ask you to nominate your candidate who will be participating in the travelling fellowship **by Friday 13 September, at the latest**. We would appreciate it if you could send us your nominated fellow's full contact information. Kindly also ask the fellow to complete the enclosed master C.V. (Curriculum Vitae).

By nominating one candidate for the EFORT autumn travelling fellowship, you help us achieving our main goal for the fellowships which is:

**“To enhance and unify orthopaedic training, continuous medical education and knowledge transfer among Europe.”**

The former travelling fellowships were appreciated by the participating fellows. We think that this is a great opportunity for the young colleagues to create new personal bonds and to improve mutual understanding, collaboration as well as unity of all national associations of orthopaedics and traumatology in Europe. This is an excellent chance for the fellows and it is a duty of EFORT to support them.

Please do not hesitate to contact us directly if you need further information. We look forward to an excellent travelling fellowship and would like to thank the Italian Society of Orthopaedics and Traumatology for organizing the EFORT autumn travelling fellowship 2014.
